LETTER FROM THE GENERAL MANAGER

Dear Members,

What a summer it has been! This past July marked my fourth year as the General Manager and I can't recall a summer season that has had this level of member participation in club events, both athletic and social. Naturally, we saw a dramatic increase in squash court usage this summer as this was our first having twice as many singles courts compared to prior years. It is because of the added courts that both our summer and full-time members were able to reserve a match during our prime time hours. I'm still in awe of the amount of activity I see when I walk through the club on Wednesday night and every court is in use. I can't wait to see what the

upcoming Fall season will bring. Speaking of, we have a lot of great forthcoming improvements that are worthy of mention:

Draft Wine in The 1889 Pub – Starting 9/11!

Less waste. Great taste!

Flight School in the 1889 Pub – Starting 9/18!

Grab your passport and get ready for a “spirit”ual adventure in The 1889 Pub. Graduate from the Flight School when you complete the full variety of flights and earn a Racquet Club logo'd flight board and glassware.

New Menu in The 1889 Pub

We unveiled a new menu in the 1889 Pub in early August. More information can be found in this edition of *The Racquet Club Review*.

Doubles Squash Court Floor Replacement

Led by a very generous gift of a long-time Life Member of the Club, The RC Fund is contributing funds to the complete replacement of the entire floor in the Doubles Squash Court. This work will commence on September 5th through the 11th and will benefit our members and the participants of our youth programming.

Upcoming Events

- Beat the Pro Night – September 13th
- Quizzo Night – September 19th
- New! Cooking Class – September 28th
- Oktoberfest – September 29th
- Halloween Party - October 27th
- Annual Jimmy Dunn Tournament Weekend– November 16th – 19th

To end, I would like to offer a brief update on substantial projects that have been in the planning and development stages for the past several months. The House Committee is reviewing bids from contractors on work that includes substantial repairs to the roof, damaged brick and mortar on the Club's façade, the Sydenham Street rear steps, and renovations to the women's bathroom and locker rooms. The entire project is considerably complex in scope which is the reason that it has taken several months to plan. Once a contractor is selected and we have more information on the construction schedule, more detailed information will become available to the membership at that time. I am thankful for the support of the volunteer members who have spent countless hours on this crucial upcoming project and we look forward to offering the membership more detailed information in the near future.

Have a wonderful Labor Day weekend!

Sincerely,

Derik Comalli
General Manager

MEMBER SPOTLIGHT

John Broussard

Paul Broussard, AKA “Ragin’ Cajun,” John has been a member of the Racquet Club of Philadelphia since 2000. John served on the Board and was also Membership Chair. John plays all of our racquet sports and makes frequent use of the fitness facilities. Lately, John’s court focus has been Real Tennis and Rackets. John travels often and makes use of the RCOP’s extensive reciprocal club

network. He lives with his wife of 30 years, Rae Ann, in Cherry Hill, NJ, where their two daughters Paula and Audrey were raised. Sweet 16 parties for both were held at the RCOP.

What is your favorite meal?

Crawfish Etoufee.

What is your favorite hobby?

Playing all RCOP court sports.

What do you do for a living/where do you work?

I am a finance professor at Rutgers School of Business in Camden.

If you had to select three words to describe yourself, what would they be and why?

Compassionate – When I get an idea that I think worthy, it consumes my activity.

Dependable – If I say I will do it, I will do it.

Dedicated – If something needs to be done, I want to make sure it gets done.

What is something your Racquet Club family would be surprised to learn about you?

I like to be quiet and meditate.

Where do you see yourself in five years’ time?

Older, definitely older.

What do you like most about The Racquet Club?

The men’s showers, the courts, and 24/7 access.

What is your favorite Racquet Club memory?

Playing former President Glenn Partridge in Rackets – gallery was full of supporters for both of us.

What is your favorite quote?

“I am what I am today because of the choices I made yesterday...” – Steven Covey

Any advice for a new member at The Racquet Club?

Use the Racquet Club as often as you can. It’s the best club in town!

What is something that you absolutely couldn’t go too long without?

The exercise required for court play.

What does your ideal/perfect day look like?

I know this sounds weird, but I try to make every day an ideal day. Some days are better than others, like when I get a shave and a haircut, but generally speaking, all days are good.

If you could have a conversation with any historical figure, who would it be and why?

I would like to chat with Benjamin Franklin to find out how he did so much with so little time.

What initially grabbed your attention and made you want to join The Racquet Club?

Definitely the uniqueness of Real Tennis and Rackets.

Are you able to make use of the Club’s 220+ reciprocal partners and if so, which reciprocal club has been your favorite so far?”

I have visited many of our reciprocals. My current favorite is The Oriental Club (London) which has easy access to the Tube, as well as a fantastic menu. Sections of the facility are being remodeled, including the overnight rooms, which has brought a new “life” to their accommodations. Even the rooms not yet redone are fine for overnight stays. Although there are no sports facilities, the staff is top-notch and always makes sure visitors have what they need. I highly recommend my fellow members give The Oriental Club a visit – even if just for a drink or sandwich. You won’t be disappointed.

ATHLETICS IN REVIEW

U23'S & U26'S

We had players from Australia, the UK & the USA all battling it out for the U.S. Nationals U23's & U26's titles! In the U23 Singles Erik Barker and Freddie Bristowe had one of the best matches of the tournament with Bristowe taking it 5/6 6/5 6/5 to progress him into the semi finals! On the other half of the draw, No.1 seed Will Hoskin had his hands full with Pete Dickinson just taking it 6/5 6/5. Pete was retrieving out of the corners superbly, making Will hit constantly good shots. It was the No.1 vs No.2 seed in the final of the U23's. Noah Motz, off to a quick start, was striking the ball with exceptional pace causing Will to make racquet errors giving Noah the first set 6/3. Keen to keep the pressure on, Noah kept moving Will around the court and controlled the rallies to take the U23 National Title 6/3 6/2!

In the U23 Doubles Ben & Pete Dickinson had a battle against the No.2 Seeds which were Will Hoskin & Freddie Bristowe. Both teams, getting lots of balls back made for some exciting rallies with the No.2 seeds taking it 6/5 6/5 to send them into the final. They met Noah Motz & Erik Barker who took off to a flying start winning the first set 6/0! With Hoskin & Bristowe eager to do better they changed the game plan

and started being more aggressive finding themselves at five games all. Barker with some great forehand saves from good cut shots kept them in the points where Motz finished the point winning 6/0 6/5 to take the U23 Doubles Title!

The U26 Singles Draw was the strongest it's been in a long time, which made for some great matches. Jackson Brand and Pete Dickinson had a battle in the first round. Brand, starting off slowly, lost the first set 2/6. Dickinson & Brand making some outrageous gets soon saw them at five games all in the second set. Brand, with sheer determination, took it 6/5 to tie it up at one set all. Brand took to a quick start in the third but Dickinson fought back to find himself at four games all. Brand, with a few key serves, went on to take the set and match 2/6 6/5 6/4. Freddie Bristowe took the upset of the day beating Will Hoskin No.2 seed 6/3 6/5 to take him to the semi finals. Dylan Ward & Erik Barker had a great match where Dylan just took it 6/0 4/6 6/5 with a nail biting finish. Michael Williams & Noah Motz had fairly straight forward paths to the final. Williams, being the heavy favorite found himself at three games all in the first set with Motz playing great Tennis to keep in the match.

Williams turned up the pace and mixed up forceful shots with good length to win the match 6/3 6/1 and take the U26 Singles Title.

In the U26 Doubles Dylan Ward & Henry Mullan took off to a flying start against Ben Hudson & Jackson Brand 6/1. Hudson was determined to change the score line and hit some fantastic volleys while Brand brought some pace to the second set 6/2 to bring it to one set all. Mullan turned up the tempo and stepped up to take them through 6/1 2/6 6/3. Pete Dickinson & John Moran had the same strong start taking it 6/2 against Spencer Yager & Freddy Bristowe. Bristowe, being consistent and Yager playing some superb tennis, found themselves at five games all but Moran came on strong to win the match 6/2 6/5! In the final, Williams & Hoskin took on Barker & Motz. Williams being too dominant at the start won the first 6/2 and found themselves at four games all with some great control and persistence from Motz & Barker. Williams & Hoskin had a little chat at the hazard end and Hoskin and Williams, firing ball at pace won the match and took the U26 Doubles Title 6/2 6/4!

Youth vs. Experience

We had 43 members participate in the Youth vs Experience showdown this year, which was the biggest turnout we have had in recent memory. Up first on the singles court was Jon Crowell against Madeline Perry. In unbelievable heat, the first game was incredibly long. Both players struggled to keep the ball down and finish the rally. Madeline managed to sneak by a won game one after over time. The next two games were much slower, with Jon trying to finish rallies a little bit too early, clearly still struggling to shake off the first game. Madeline won 3-0 to put the Experienced side the lead.

Matches were going back and forth with some really tight squash and clean rallies. The next match of note was Ibrakhim Ibragimkhodjaev for the Youth team against Bartley O'Malley. Both players have been playing a lot of squash and it showed in the quality of play and the length of the rallies. Ibrakhim managed to top Bartley in a very tight 3-2.

Another titanic battle saw Warren Scott against Tom Price. Both players looking very smooth on court with some pretty shot selections and tight drives trying to bring an error into one another. Tom Price brought home the win for the Experience side with another 3-2 match.

A fantastic doubles match saw a very close encounter with Warren Scott and Peter Flynn up against the experience of Rob Gundlach and Peter Schreiber. The Experienced team came through 3-1.

After 19 singles games and two doubles games the scores were tallied up. The Experienced team pipped the Youth team to the win with a very close score of 38 games to 34.

International Tennis Day

June 20th saw a fantastic day on the Court Tennis court here at The Racquet Club. The court was booked from 8am - 9pm solid with members of all levels competing and celebrating Court Tennis. Thank you to all of the members that helped make this day such a success.

Congratulations to our own John Lumley for joining the Gold Leaf Athletics Pro team!

Athletics Sponsorship Program 2017 - 2018

The Racquet Club is the premier racquets based sports club in Philadelphia, having historical ties to the games of court tennis, racquets, and squash. As such, the Club hosts several tournaments throughout the year in the clubhouse which serves the membership as well as visiting guests from all over the world. The level of professional talent that participates in these tournaments has grown over the years as well as the cost of hosting these events. The Athletic Committee created an annual Sponsorship Package last season and it was a huge success. This package is a great opportunity to show your support for the many events that the club hosts while also generating exposure for your company or organization.

The Racquet Club tournament calendar consists of the US Open Squash Qualifier, The Jimmy Dunn, US Open Racquets Singles & Doubles, The Philly Boast Tournament, The RCOP Junior Bronze Tournament, and The Percy Cup - Member/ Guest Squash Doubles. With your generous support, The Racquet Club will continue to attract the most talented players to participate in all of these unique sports which benefits the entire membership. Also of note, 5% of each donation goes towards the The Ed Noll Legacy Apprenticeship program.

EMPLOYEES OF THE MONTH

April

FELIX ACEVEDO & SAMANTHA SPECTER

For the month of April, we awarded two employees with the honor of Employee of the Month. Felix Acevedo and Samantha Specter are the friendly faces that members see each and every day in The Gold Leaf Café. Having a symbiotic relationship that is essential to the member dining experience, they work as a team to provide excellent customer service. Both Felix and Sam take great pride in making the members feel at home while dining in the Café. Both have become particularly skilled at accommodating specific member requests during their dining experience which is service that makes the members feel special while in the club. Felix and Sam are two of our most versatile team players because they are the backbone of the Café and also because they also contribute greatly to the success of both private and club events. They are always eager to step up to the plate when needed and together are an invaluable asset to the Food and Beverage department at the Club.

May

JAY ORTIZ

Jay Ortiz has been a contributing cook in the Club's kitchen for just a few months, but he has shown great improvements in organizing his station, set up, and prep. Jay has also shown great initiative by making tasty soup specials when needed and he has done it with great enthusiasm and a positive attitude. Jay has proven himself to be a very effective team player as he is often first to jump in when the line is backed up. Even when he is not directly asked to help out, he is willing to assist his colleagues make food for luncheons and special events. When prepping for luncheons, he is very aware of his time and efficiently manages it to ensure that parties are receiving their food in a timely manner. Jay has played a substantial role in the improved food offerings in The Gold Leaf Café and he has contributed greatly to the positive culture in the kitchen.

June

JAMES ASHER

James Asher has earned Employee of the Month for this past June. Not only did James get married (congratulations!) he was also able to fulfill his obligations in the Pro Shop without missing a beat. James Asher also did a phenomenal job administering 14 squash tournaments which had approximately 350 matches played in total. James is a highly talented coach and has helped many members, both veteran and new, to improve their squash skills. He has created a warm and inviting atmosphere on the 4th floor, having learned much from the veteran Rob Whitehouse.

RCOP FUN FACT

The First Clubhouse

The below excerpt is from The Racquet Club of Philadelphia history book, written by John J.W.F. Mc Fadden and published in 1989.

The Racquet Club (although still unincorporated), occupied 913 Carpenter Street from 1883 through to 1889. Precise details are not known because the Club did not keep any records or minutes of meetings until the first Annual Meeting of the Club in April of 1890, some one-half year after the purchase of the Walnut Street Clubhouse. Founding members of the Club, however, in this instance have left recollections referring occasionally, though definitely, to the Carpenter Street house. Finally, the Racquet Club was listed in the Philadelphia city directories for the years 1883 to 1889.

The 913 Carpenter Street house was built by the Bartons and sold in 1873 to James Neals. Circa 1880, Neals took Thomas Nicholas into partnership and moved their wholesale lager beer business, renamed Neals & Nicholas, to the Carpenter Street address. Upon the dissolution of the Neals & Nicholas partnership, the house again reverted to a rental property, owned by Mr. Neals but controlled by Mr. Nicholas. It was this house that the small group of sportsmen, less than twenty in number, rented for a Clubhouse in 1883.

Thomas Nicholas may have served as steward in this house, and it is certain that he was retained as the Club's first marker, as the athletic professional was then termed. Almost forty years later, Mr. James Potter, one of the youngest of the Club's founding members and its fourth president, recalled those early days on Carpenter Street. "The house was rickety", he said, "and the court was an open cement court of small size used for both hand and bat fives. Whether Nicholas built the court prior to 1883 or specifically for the Club members is no longer known. Those early members did not possess real racquet bats, but, according to Potter, used "crude paddles" instead. In 1907, upon the opening of the new 16th Street Clubhouse, founding member Henry Cartwright presented the Club with two of these paddles, but like so much else, they have been long misplaced or lost to living memory. However, according to Potter, despite the crudity of the house and court, great fun was had playing the games and the camaraderie so common to these sports was profound.

Although Mr. Neals sold the house to Mr. James Park in 1886, the Club continued renting it for several years. However, Mr. Park desired to expand his grocery business, already on the same block, so by the fall of 1889, the Club was on the move again. It only remains to add that this Carpenter Street house, like the Howard Street house past and the Walnut Street house to come, continued to provide tenuous links to the Club long after the building ceased to have any direct connection.
